Company Introduction

The company is a dynamic packaging solutions provider to companies in the food industry in Dubai using its wide range of supplier networks, it partners to drive brand recognition and loyalty with recognizable packaging solutions from its headquarters in Office G10 Al Quoz 3 Industrial area, Dubai UAE. It designs and procures worldwide production of high quality branded and non-branded food grade packaging solution for its customers.

The company provides a cost-effective solution by using our established worldwide supplier network to source and procure packaging solutions which meets our customer needs allowing our customers to concentrate on their core competence.

The company considers our customer's requirements vis-à-vis types of products to be packaged and proffer solutions that best meet identified needs. In order to achieve this, JC packaging Dubai works with its customers to understand their sales forecast logistics and planning to determine frequency of use of the packaging solutions. The ordering cycle can then be developed into a 'just in time' model to eliminate excessive stock whilst ensuring prompt delivery of replenishment stock of required packaging. Furthermore, it offers warehousing services whereby it can hold agreed stock and supply on a monthly basis.

JC Packagaing Ltd, works in partnership with it parent company, Upack which was established in March 2012, which is concentrated on designing, research, development, manufacturing and selling of food packagingfactory. The company is located at the foot of Luofu Mountain and the bank of Dongjiang River, close to Dongguan, Shenzhen & Guangzhou city. We have our own more than 20000 square meters high grade GMPworkshop. Meanwhile, we have established a set of scientific and standardized marketing network management system.

"To become a world-class food & pharmaceutical packaging enterprise" is our company vision. Our company respect the value of integrity, responsibility, progress and achievement, specializing in providing customers with one-stop food packaging solutions, such as twisted handle bag, SOS paper bag, window bag, breadbag, satchel paper bag, die cut bag, flat handle bag, food box, burger box, paper cup, food paper container, etc. To provide the most competitive price for our customers and meet their different demand, Upack has passed many international and domestic authority certifications such as QS, ISO9001:2015, FSC, FDA, BRC-IOP, SEDEX, FDA, GMP, etc.

JC packaging Dubai is a manufacturer, retailer and distributor of sit-in and take away packaging of food and drink products. It helps companies to design, source and procure worldwide production of high quality branded and non branded food grade packaging for the food and retail outlet industry. The company is best known for its unique packaging products. JC packaging Dubai was incorporated in 2023. The company operates amonopolized distribution system. The company sells packaging products around the country and works with international packaging manufacturers around the globe. It conforms to all regulatory standards.

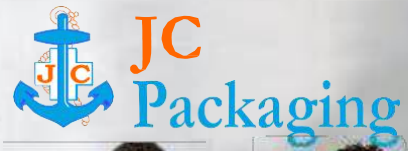

Operation Licence

It has licenses to operate from regulatory bodies such as the; Commercial License issued by the Government of Dubai.
